Where to use

OFFICES

Organize the work of employees correctly. Create a unique atmosphere. Make the office design unique and memorable.

CONFERENCE HALLS/EXPO

In large concert halls, it is important not only to create a unique atmosphere and beautiful design, but also to achieve acoustic comfort and avoid sound distortion.

SHOPS AND SHOPPING MALLS

Use the panels as a custom design. Create a special atmosphere for customers. Use safe and eco-friendly materials.

UNIVERSITIES, SCHOOLS, KINDERGARTENS

Use the design panels to create a special atmosphere for children. Use eco-friendly and safe materials, soft coatings. With the help of natural interior decoration, create the comfort of recreation areas.

RESTAURANTS

Commercial premises can bring more profit due to their uniqueness. The panels can be easily integrated into the author's interior or design project.

PUBLIC SPACES

Panels help to create a unique design, comfort for visitors, and also help to create a selling space, involve the customer in the process and the atmosphere of the product, brand, and service.

Variety of surfaces materials

We will select for you the finishing option that best suits your interior. We work with the best suppliers around the world, so we can offer a wide range of top quality coatings.
